Featuring a generous 1.5L glass jug, stainless steel blending blade and a powerful 500W motor, this blender makes quick work of blitzing through fruit, vegetables, ice and more. What's more, the Ovation blender has 2 speed settings, plus pulse, giving you maximum control over the consistency of your food.

BLEND & BLITZ

MOMMY BOOST SMOOTHIE

- 4 carrots (peeled)
- Handful of spinach
- 1 beetroot
- 1 apple
- 2cm cube ginger
- Juice of 2 limes
- 200ml water

1. Add all ingredients into your blender, making sure not to exceed the MAX fill line.
2. Blitz at a high speed until all ingredients are thoroughly combined, and your smoothie is thick and creamy.
3. Pour into a tall glass or smoothie cup for drinking on-the-go.
4. Enjoy!

OVATION GENIUS BLENDER
OVAHT202

Our 1000W Genius Blender gives a powerful performance every time. This blender boasts high-quality stainless-steel blades and features both blend and pulse functions. At the touch of a button, fruits and vegetables are liquidised, extracting all the juice without losing that all important fibre and other nutrients. Great for smoothies, soups and sauces. Includes a travel cup, making it easy to enjoy your favourite beverages on the go.

ALL IN ONE COOKING

ROAST CHICKEN

- 1 full chicken (800grms)
- 1 whole garlic
- 1 tbsp fresh or dried rosemary
- 1 lemon
- Olive oil
- Salt & pepper

1. Mix all of the above ingredients thoroughly and leave to marinade for 30 minutes.
2. Place the chicken onto the wire rack, set the time to 40 minutes and set the temperature to 180°c.
3. Turn the chicken halfway through cooking.
4. Ensure the chicken is cooked thoroughly, let it rest for 8-10 minutes before serving.
5. Place on a serving dish, with vegetables or sald of your choice.

OVATION HALOGEN OVEN BLACK
OVAHT214

OVATION HALOGEN OVEN WHITE
OVAHT217

This halogen oven has a high and a low rack included, so you can cook multiple foods all at once! Featuring an adjustable temperature range of 65-250°C, you can now broil, roast, bake, slow cook or grill your way to culinary perfection. What's more, the bowl itself is non-stick coated – making the washing up just as simple as the cooking! Includes lid holder, extender ring, skewers and tongs.

OVATION HALOGEN OVEN AIR FRYER
OVAHT206

This 1400W Rotisserie Halogen Air Fryer uses up to 80% less fat than a conventional fryer. Featuring a large 6.8L capacity, adjustable temperature control and rotisserie function. Ideal for baking, frying or roasting. Includes: a high/low rack, chicken forks, baking cage and tongs.

OVATION DIGITAL AIR FRYER
OVAHT208

This 1500W Air Fryer features an LED touch-screen & 3.2L capacity. Allows hot air to be circulated swiftly around your ingredients for a fast, healthy meal that only uses up to one tablespoon of oil per basket. Seven cooking modes including: low-fat fries, healthy snacks, shellfish cakes, and muffins, poultry, meat & fish.

OVATION BELGIAN WAFFLE MAKER
OVAHT209

The 1200W Belgian Waffle Maker features a large plate that allows for up to four waffles to be cooked at any one time. Boasting an adjustable temperature control, with a power and heat-ready light indicator, it couldn't be easier to use this fantastic little appliance. Plus, with the plate including non-stick coating, cleaning up is simple too!

OVATION TABLE GRILL
OVAHT204

This 1600W 3-in-1 panini press, grill and griddle allows for a plethora of various ingredients to be cooked to perfection. The floating hinge system adjusts automatically to accommodate any thickness of food. Features three temperature programmes and two drip trays to remove excess fat and removable non-stick grill plates for easy cleaning.

OVATION CRÊPE & PANCAKE MAKER
OVAHT207

The Crêpe Maker features a 1000W heating element, making the wide 30cm cooking plate heat quickly and evenly - guaranteeing a consistent cook throughout the batter! Features a variable temperature dial and non-stick coating for easy cleaning. Includes T-stick batter spreader, plastic ladle and spatula.

SPOTLIGHT ON SOUP

HEARTY VEGETABLE SOUP

- 1 large onion, diced
- 600g tomatoes, diced
- 500g butternut squash, diced
- 300g carrots, diced
- 1 leek, sliced
- 200g frozen peas
- 6 button mushrooms, sliced
- 200ml boiled water
- 1 vegetable stock cube (or chicken)
- Pinch paprika
- Salt and pepper to taste

1. Chop the tomatoes, butternut squash, carrots, onion, mushrooms and leek into small pieces and add them to the soup maker.
2. Add in the peas, water and crumble in the stock cube.
3. Select the Smooth Soup function and allow the cooking cycle to complete.
4. Season to taste with salt, pepper and paprika.
5. Once done, use the Pulse function to blend until the desired consistency is reached.
6. Serve immediately with crusty bread and garnish with parsley.

OVATION JUG SOUP MAKER

OVAHT211

Make delicious soups and decadent smoothies with ease thanks to this Jug Soup Maker. Features a high-grade stainless-steel blade and jug body, boil/simmer functions, pre-set chunky and smooth soup settings and a powerful 800W motor.

SLOW IT DOWN

CHUNKY BEEF STEW

- 800g braising steak, cut into chunks
- Olive oil
- 1 large onion, diced
- 2 carrots, diced
- 1 red pepper, diced
- 3 tomatoes, diced
- 2 potatoes, diced
- 2 garlic cloves, crushed
- 2 tbsp. tomato puree
- 500ml beef stock
- Fresh parsley

1. Select the slow cooker function on the multicooker.
2. Ensure the slow cooker setting is on LOW.
3. Add in the little oil, all the vegetables, garlic and tomato puree to the cooking pot. Stir well.
4. Lightly dust the beef pieces with plain flour, then add these chunks to the pot.
5. Season with salt, pepper, add in the wine and stock. Stir to combine.
6. Allow to cook on LOW for eight hours.
7. Serve with plenty of crusty bread & garnish with parsley.

FUSS-FREE, FLEXIBLE CLEANING

OVATION 2-IN-1 CORDLESS FOLDING VACUUM CLEANER
OVAHT107

With a bagless design and an innovative folding handle, this vacuum is ideal for small households, flats or anyone looking for a powerful, but lightweight device. Perfect for sweeping up dirt and debris from your floors, this vacuum features a motorised brush head, LED illuminated floor tool and up to 30 minutes of cleaning power from a single charge. Weighing only 2.32kg, with an impressive 800W of power this vacuum provides a deep, thorough clean without compromising on the manoeuvrability. Complete with an upholstery brush and crevice tool.

OVATION HANDHELD & UPRIGHT MULTI-PURPOSE VACUUM CLEANER HOMHT101

Ingenious and bagless, this vacuum easily converts between an upright and a hand-held machine making it great for upholstery as well as floors. Its compact and lightweight design means this model weighs only 1.9kg, making it ideal for those struggling to carry heavier vacuums upstairs or just around their home. Supplied with a crevice tool and floor brush, this 450W vacuum cleaner allows simple and effective cleaning of your home, car and caravan and allows you to clean areas that many other cleaners cannot reach.

OVATION 13-IN-1 STEAM MOP
HOMHT110

Boasts a powerful, chemical free, steam clean. Powered by 1500W, the 13-in-1 also offers a lightning fast 30 second heat up time, 400ml water tank and a 5m power cable. Includes 13 different attachments.

OVATION HANDHELD STEAM CLEANER HOMHT105

Ideal for cleaning windows, kitchens, bathrooms and hard floors. Features 250ml boiler capacity, 8-10 minutes steam time, 105° steam temperature and long 2.8m power cord.

OVATION CORDLESS WET & DRY HANDHELD VACUUM CLEANER
OVAHT104

This lightweight, cordless, handheld vacuum has a capacity of 0.5L and is ideal for use in cars and other places without the need for extension cables. Designed for dry debris and wet spillages.

OVATION ELECTRIC STEAM IRON
HOMHT300

A high-performance steam iron with a ceramic coated sole plate for optimum heat transfer, smooth gliding on almost any fabric and easy to clean surface. 330ml capacity water tank for both water spraying and steaming action with adjustable power and steam control for perfect ironing each time. Designed to make ironing as easy and effective as it can be.

OVATION MIST SPRAYING FAN
OVAHT502

Low-energy, the fan's humidifying mist function allows for a gentle spray to be circulated around the room – instantly cooling the area. The fan boasts three speed/wind settings - normal, natural and sleep. Includes a remote-control function. Sleek and stylish, this fan is a must-have accessory for those summer months.

OVATION ASH COLLECTOR
OVAHT690

This 15L ash vacuum cleaner makes it simple to clear away ash and debris from a variety of surfaces, including hard floors and carpets. The 2.5m cable allows for the vacuum to be moved around with ease, no limitations to reaching the far side of the room. The cleaner also boasts an aluminium tube tool and a 1m hose, meaning clearing up ash couldn't be easier.
